d. Independent Research

In preparing and submitting its Proposal in response to this RFP, Bidder is responsible for conducting, and is relying solely on, its own due diligence and its own evaluation and verification, in each case to its full satisfaction, regarding any and all (a) information and data contained in or referred to by the RFP Documents or otherwise provided by the Company or its representatives, (b) the Project Site, (c) any and all Site Conditions, including surface and subsurface conditions and obstructions, accessibility, and use restrictions, (d) weather and climatological conditions, (e) availability and price of labor, equipment, materials, supplies and other inputs needed for Bidder's performance and (f) any and all other factors that impact the Bidder's Proposal, including without limitation, the pricing and scheduling for the Work set forth therein.

The Bidder assumes all costs incurred in the preparation of the response to the RFP and in the fulfillment of any other information requested during the evaluation of the responses.
